				Place	12th

Again, the coaching staff wants to congratulate all 19 athletes for qualifying for the 2016 Drake Relays. A meet like this really has a special environment and is very competitive. Only three of the 19 athletes had ever competed at Drake and now we can say that we have 11 more athletes who competed on the Big Blue Oval and five others now have experienced the Big Blue Oval as Alternates. These are all signs that our program is improving! We also confirmed that we have work to do to get our team ready for the State Meet and being happiest in May at the State Meet. Prepare to practice with a purpose and get after it when we compete at the MVC Meet this Thursday in Waterloo.

Go Little Hawks!
