City High - 11 points (18th place)

First, the coaches would like to give the seniors Chuck, Jens and Bryson a BIG THANKS for all of your efforts and contributions throughout your four years of competition for the City High Boys Track and Field Program. Next, we need to congratulate senior, Jens Dancer on being an Academic All-State Selection! This is quite an honor and we are all very proud of Jens efforts on the track, but also in the classroom!

How about those Little Hawks! All three relay teams ran season bests and everyone competing in this meet preformed higher than their seeding. While the team point total was not what you guys were gunning for, we certainly left the Big Blue Oval with a great taste in our mouths and some momentum going into next year's season. Thanks to all of you for making this season go so well! We look forward to working with the underclassmen in the future and wish our seniors the best of luck as they move on the next chapters of their lives!
